

GENERAL STRIKE IN SILK MILLS.

Chairman M'Grath Says
15,000 Workers Will
Be Called Out Next
Monday.

REDS IN DYNAMITE PLOT.

Plan to Blow Up Mills Re-
vealed to Mayor by Wom-
—Troops to Be Kept on
Guard.

A MEETING OF COMMITTEES
REPRESENTING ALL THE EM-
PLOYEES OF THE SILK MILLS
WAS HELD THIS AFTERNOON AT
NO. 28 RAILROAD AVENUE, PAT-
TERSON.

CHAIRMAN M'GRATH SAID THAT
A GENERAL STRIKE WOULD BE
ORDERED FOR MONDAY MORNING
AND THAT 15,000 EMPLOYEES
WOULD REFUSE TO WORK.

PLOT TO DYNAMITE PATERSON SILK MILLS.

"I am aware of the undercurrent
of anarchy which flows be-
neath the surface, for that reason
as well as for the fact that cer-
tain vague but significant rumors
have reached me, I have decided
to keep the militia in Paterson for
a longer period than at first
deemed necessary." — STATE-
MENT OF MAYOR HINCH-
LIFFE IN PATERSON TO-
DAY.

The rumors which have come to
the Mayor and other authorities of
Paterson are dark shadowings of
dynamite plots and assassination.
The story was taken to the Mayor
by a woman.

The detectives of the Police De-
partment made reports to the
Mayor to-day, which indicate that
the Anarchists have been discussing
violence—contemplating it in fact.

That followers of the red flag are
hoping the militia will be kept sta-
tioned in the city until July 4, and
that the coming of the patriotic
memorial day will be signal for the
execution of the plots to dynamite
the mills and the houses, is the story
which is now arousing the fears of
the Mayor and the prominent citi-
zens who have joined with him in
trying to reach a solution of the
present troubles.

It is now known that the organiza-
tion of the Vigilance Committee, composed
of fifty of the most influential citi-
zens of Paterson grew out of these stories
of proposed violence and assassination.

How Plot Became Known.

There appear to be good grounds for
the safeguard now being thrown out.
At a recent meeting of dye work-
men who are opposed to the practice of
anarchistic methods—several of the men
present reported that they had become
conscious of certain infamous plans of
the anarchists. Their plot contemplated
the blowing up of certain dye houses
and mills on July 4, when the noise of
the explosions would not create general
attention.

Unconsciously the weavers have aided
the anarchistic element in the carrying
out of the plan of violence by determin-
ing at yesterday's meeting not to return
to work until the militia is withdrawn.
The reason for this action of the weav-
ers was that they believed the employ-
ers alone were to be benefited by the
presence of an armed force.

In brief, the weavers refuse to work
under the protection of the guns, while
the Anarchists refuse to work under a
colony of "military oppression," because it
affords a cloak and possible excuse for
future action.

Mayor Is Prepared.

Mayor Hinchliffe is fully aware of the
ominous meaning of the signs. He has
sanctioned the organization of the vigil-
ance committee and it now becomes
known that his recent authorized pur-
chase of Winchester rifles in New York
was done with the avowed purpose of
having on hand a ready arsenal for the
use of that committee and the police in
the event of trouble.

Monday morning may witness trouble
when many of the mills, whose owners
are sanguine of full protection, will
make an effort to run under full head-
way. The sight of returning workers
going to their looms, despite the action
taken at yesterday's meeting, may in-
furiate others than the anarchists.
The authorities fear and are prepared
for trouble.

A woman to-day took information to
the Mayor which confirms the stories of
anarchist plots. She lives in a colony
of the advocates of the red flag. She
shared some of their plans and told
the Mayor. Among the anarchists was
an woman in particular, she said, who
apron, for the fight during Wednes-
day's demonstration. Detectives were
sent out to investigate.

NEW STRIKE IN NEWARK MAY LEAD TO RIOTS.

A strike at the Domestic Sewing Ma-
chine Works, at High and Warren
streets, Newark, was started to-day,
but will not be in full swing until Mon-
day. Eighty men are out today, but
the several hundred other employees
will not come out until Monday.

A disagreement between the men and
a foreman started the trouble. There
was no disturbance in the neighborhood
of the factory to-day and no occasion
for the services of the police.

Trouble is expected Monday when the
entire force will walk out. The police
of the Second and Fourth Precincts will
guard the works, as they are located on
the divide line between the two pre-
cincts.

LABOR LEADER FACES ACCUSER

W. P. Hanlon, of Brick-
layers' Union No. 37,
Arrested on Extor-
tion Charge.

BAILED OUT AT MIDNIGHT.

Real Estate Man Who Appears
as Complainant, Tells Story
of a Spurious Union Agree-
ment.

There was a sensation in Labor circles
to-day when it became known that Wil-
liam P. Hanlon, business agent or walk-
ing delegate of Bricklayers' Union No.
37, had been arrested yesterday charged
with extortion. James Donnelly, another
union walking delegate, was arrested
at the same time.

The men were bailed out at headquar-
ters last night by Patrick Ryder, Tam-
many leader of the Third Assembly Dis-
trict, and William Kemp, of No. 18
East One Hundred and Seventeenth
street. Magistrates Crane and Brann
went to headquarters in cabs at mid-
night to accept the bonds.

In Centre Street Police Court to-day
Charles J. Morgan, of No. 188 Beach ave-
nue, appeared as complainant. Junc-
man is a real estate dealer and is build-
ing a five-story tenement-house in West-
chester avenue, near One Hundred and
Fifty-second street. The contractor is
John Millilo, who employs non-union
labor.

Jungman said that on June 11 Hanlon
approached him and told him to force
Millilo to employ union men. Jungman
says that he told Hanlon that he had
a contract with Millilo and could do
nothing in the way of dictating who
should be employed.

Hanlon went away and the next day
John Miller, of One Hundred and Thir-
ty-ninth street and Third avenue, who
had been furnishing building material,
notified Jungman that he could deliver
no more material on account of the hos-
tility of the Bricklayers' Union.

Then, Jungman says, Hanlon came
back and said he could fix the matter
for \$500. He pointed out that Jungman
was to sign an agreement to employ
union labor, this to be shown to the
union, but that nothing would be done
if he continued his work with "scabs."

Jungman alleges he signed the agree-
ment and conferred with Assistant Dis-
trict Attorney, Miner. Detective Ser-
vants McConville and Savage were de-
tailed on the case. By their orders Jung-
man marked a roll of bills and made an
appointment to meet Hanlon at the Astor
House yesterday afternoon at 5 o'clock.
Hanlon appeared with Donnelly, who
had not figured heretofore. Jungman
says he gave Hanlon the bills and when
McConville and Savage were gone, he
found in his pocket. Donnelly had the
alleged Jungman agreement.

Lawyer Michael O'Sullivan appeared
in the police court for Hanlon and Don-
nelly. At his request the examination
was postponed until Wednesday after-
noon. Bail was fixed at \$500 in
each case.

HEIRS TO DIVIDE GILMAN MILLIONS

Half Blood and Full Blood Rel-
atives of Deceased Million-
aire Plan a Stock Company
in Which All Share.

According to William Pinkney Ham-
ilton, Jr., counsel for some of the full-
blood heirs of the late George Francis
Gilman, an agreement for a settlement
has been signed by all the heirs, those
of the full blood as well as those of the
half blood, and that it is expected there
will be a division of the estate about
Christmas. The estate has been esti-
mated for the purpose of settlement at
\$2,000,000.

Mr. Gilman's tea business is estimated
at \$2,000,000, although some of the half
dozen law firms interested in the litigation
over the estate have believed that the
value of the tea business was about
\$500,000. The tea business has been in-
corporated in the settlement, and stock
of \$100,000 is to be issued among the
heirs, and the balance of the estate, which
is to go to George H. Hartford, the
manager of the business. Mr. Hart-
ford is entitled to one-half of the profits,
and the balance to be divided among the
heirs. Mr. Hamilton says there was no real basis for her contention
that the entire estate was given
to her before Mr. Gilman died. She
is expected to get nothing in the settle-
ment, but the lawyers say she probably
will not leave the Broadway place any-
thing.

George Smith, of Bridgeport, who
lived with Mr. Gilman for some time
previous to the death of the eccentric
tea merchant, has made a claim which
has been referred to Hamilton O'Neil.
From the testimony already taken in
that case the lawyers believe that
Smith's claim will be set aside. He is
considered, but that he will receive some-
thing in the settlement.

ODELL TALKS OF HILL.

Says the Ex-Senator's Speech Will
Not Hurt Him.

Gov. Odell came down from Newburg
to-day. He was at the Elms Avenue
Hotel and talked with politicians
about the attack on Senator Hill had
made on him at the Tilden Club Thurs-
day night.

"His attack on my administration,"
said the Governor, "was a very un-
lucky thing. I suppose it is the proper thing for the
man who is managing the Democratic
campaign to attack the Republican
error. But he or anybody else can't juggle
now. There is no State tax
now. That is what counts. The Repub-
licans will win, no matter who is nomi-
nated on either ticket. Hill's attack on
me will not hurt me or my party."

CLUE FOUND TO M'DOWELL NOW.

Mysterious Satchel of Missing Promoter Traced
to Jersey—All Ports Are Watched.

HENRY B. M'DOWELL

An Evening World reporter secured
to-day a clue to the whereabouts of
Henry Burdet McDowell, wanted by
the Pennsylvania authorities for
wrecking the United States Trust
Company, of Philadelphia and New
York.

Previous to McDowell's disappear-
ance he told the agent of the build-
ing at No. 55 Liberty street, where
the United States Trust Company
offices were located, that he would
call for or send for a satchel con-
taining valuable papers between 12:30
and 1 o'clock to-day. McDowell did
not call, but promptly at noon an
A. D. T. messenger from the main
office, in the Western Union Building,
appeared with an order for the
satchel.

The boy took it across to Jersey
City and checked it at the parcel win-
dow. He took the check to the
ticket office and left it with instruc-
tions to the agent to deliver it to
"Mr. Harvey." As the warrant
against McDowell is useless in New
Jersey it is expected that he will call
for the check and get his satchel
some time to-day.

McDowell's proposed departure for Eu-
rope is suspected and being guarded
against. Yesterday he sent a steamer
trunk to the Cunard line pier, but he did
it so openly that the detectives argued
it was a ruse. Knowing that the de-
tectives have been seeking him for al-
most a week, McDowell may not try to
sail from the pier, but every seaport on
this coast has been notified that he is
wanted and the Pinkerton force of the
entire country is on the lookout for him.

The United States Trust Company, as
stated, had offices here at No. 55 Liberty
street, and here McDowell recently
had his headquarters, though the main
office of the concern was in Philadel-
phia.

With a story that he commanded mil-
lions, McDowell was let into the com-
pany last January, to make it one of
the leading institutions of its kind in the
country. Now the concern is in the
hands of an assignee and the State
Bank Examiner of Pennsylvania charges
McDowell with embezzling \$250,000 of the
company's funds.

He became possessed of 1,000 shares out
of 10,000, at \$25 a share, and was elected
president, having deposited in "to safe
keeping" the sum of \$250,000. In evi-
dence of good faith, in May McDowell
swore in his report to the State Banking
Department to a statement of his af-
fairs which aroused suspicion.

According to his statement, the assets
were \$25,000, but Bank Examiner
Albert L. Tabor says he found only an
overdue mortgage for \$300. All the se-
curities deposited by McDowell had dis-
appeared. An assignment was imme-
diately made by the other officers for
the benefit of the creditors to Charles
L. Brown. A warrant was sworn out
